Introducing a revolutionary product that will change transportation forever!

The **Auto Bin** was created to keep the environment free of trash while keeping your vehicle clean and safe. You will find the **Auto Bin** can be used for multiple purposes.

◆ **DURABLE & NON-STICK** ◆
MADE IN THE USA

The **Auto Bin** has a texture similar to a dashboard of a car. The **Auto Bin** is made of non-stick surface, so you can be confident that all of your trash, including bubble gum will be removed safely. The **Auto Bin** can be easily washed out to keep it clean.

◆ **FOREIGN OBJECT DEBRIS** ◆
OSHA COMPLIANT CONTAINER
